JANIS and SID Originals

1. This office has examined all the JANIS and SID graphic material stored in your office under job #49-28.
2. The material that is still usable (based on subject matter and the condition of the originals) has been returned to this office for future possible use.
3. The remainder of this material, which consists of originals and negatives of graphics contained in published JANIS and SID, will be of no future use. You are hereby authorized to destroy it.
